TITAN

TITAN

Exclusive Technology

The Meshtec Advanced Screen System utilizes an exclusive manufacturing platform to deliver patent protected, high tensile strength, stainless steel screen security products that are easy to see through and almost impossible to get through.

While under tension, wires are woven into stainless steel mesh

Stainless steel mesh is cut, pre-treated, and powder coated

Mesh panels are secured in product frames with patented mechanical attachment systems

Double doors have a center post that is attached to the passive door, leaving no obstruction to the entryway when both doors are open. The active door (with handle) can be specified as left or right.

Some single door designs are mirrored in a double door as shown below.

Mirrored models include: Acadian, Chili Ristra, Elegante, French Hummingbird, Garland, Harbour Beacon, Harvard, Kokopelli, Lizard Bar, Martini, Matrix, Nogales, Playa, Quail Covery, Sail Away Sunfire, and Yale.

Satin Finish

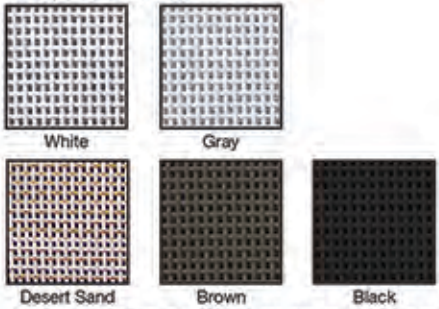

The colors shown may not be accurately represented. See dealer for color samples.

Perforated Aluminum Screen

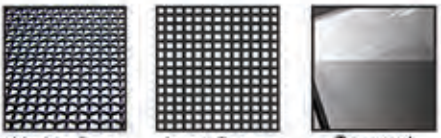

Note: Perforated aluminum and Meshtec screens are secured into the door permanently, and are not available as replacements after the initial order.

Sun/Pet Screen

Sun/Pet Screen, Tempered Safety Glass, and Insect Screen inserts are available separately, and can be used in conjunction with a perforated aluminum screen, or Meshtec screen.

•Not available on Garland, Guardsman, Lizard Bar, Plain Bar, Quail Covey and Seychelles designs or pool code handle height doors. Meshtec screen is the only screen available in the Full View door.

Hardware not included

Accepts common 2-3/8" backset hardware.
